

THE FOLLOWING BIODEGRADABLE WASTE IS ACCEPTED:

Grass, hedge clippings, flowers, weeds, leaves, plants, vegetable stalks, shrub and tree branches.

AS A CITY OF CASTLEGAR RESIDENT, YOU HAVE 2 OPTIONS:

1 CURBSIDE PICK-UP

**OCTOBER 15 &
NOVEMBER 12, 2019**

NORTH Castlegar
(North of Highway 3 including
the Woodland Park Area)

**OCTOBER 16 &
NOVEMBER 13, 2019**

SOUTH Castlegar
(South of Highway 3)

***PLACE YOUR YARD WASTE AT THE CURB
JUST PRIOR TO 7:00 A.M. ON YOUR
COLLECTION DATE***

2 DROP-OFF

Year-round at the City of Castlegar's Yard Waste Composting Facility at the north end of the Castlegar & District Recreation Complex at 2101 Sixth Avenue.

YARD WASTE DROP-OFF FACILITY GUIDELINES:

- BIN 1 - Grass, lawn and hedge clippings, flowers, weeds, leaves, and vegetable stalks only.
- BIN 2 - Shrubs, shrub and tree branches less than 75mm (3") in diameter only.

TO PARTICIPATE IN THE CURBSIDE COLLECTION EVENT:

- Bags must be tied off. If twine is used, it must be compostable. It is recommended that you double bag to ensure yard waste will be contained.
- Garbage cans with lids may be used as long as the containers are identified as having yard waste inside and weigh no more than 23 kg (50lbs) per container.
- Tree prunings must be bundled with compostable twine. Individual bundles can be no longer than 1 metre (3 ft) in length and 0.5 metre (1.5 ft) diameter. Maximum allowable branch diameter is 75mm (3")

*** NON-COMPOSTABLE
PLASTIC BAGS WILL NOT
BE ACCEPTED ***

**CRIMP compostable (100%
biodegradable) yard waste bags
are available free of charge from
City Hall at 460 Columbia Avenue.**

This program is for yard and garden waste only and does not apply to outlying areas. The following will not be accepted: rocks, dirt, stumps, sod, construction demolition or other related wood products including painted or treated wood, flower pots, animal waste, household garbage including kitchen waste or recyclables, Styrofoam/foam, or other such materials.
