- Period Billed:** In quarterly increments.
- Due Date:** Latest date a payment can be made to avoid penalties.
- Account Balance:** Amount of the current bill and any balances carried forward.
- Pre-Authorized Payment Plan (PAP):** When enrolled on PAP, the invoiced amount is withdrawn automatically from your bank on the due date.
- Account Number:** This 13-digit number is unique to your account. It can be used to make payments through online banking.
- PIN Number:** This code is required when you sign up for an online account on the City's website.
- Balance Brought Forward:** The balance of the previous quarterly bill. Any payments made are usually captured in the current invoice.
- Current Reading:** This number represents the meter reading on the last day of the month being billed.
- Previous Reading:** The meter reading on the last day of the previous month.
- Consumption:** Difference between current reading and previous reading. This number is used to calculate the consumption charges for the month being billed.
