

**October 8, 2021**

## **Columbia Avenue Redevelopment Project – Phase 2**

### **Weekly Update**

Last week Copcan worked on finishing landscaping, installing signage, installing bus shelter components, and cleaning up the site.

Next week, you can expect to see:

- final topsoil and grass seed placement;
- installation of the last signs, sculptures and banners; and
- demobilization of equipment and site offices.

#### **Did you know?**

The City has issued 30 weekly updates during construction. Did you find them helpful, or did they miss things you wanted to know more about? Please let us know by contacting Bree Seabrook at [bseabrook@castlegar.ca](mailto:bseabrook@castlegar.ca).
